

## **CORPORATE EVENTS**

By virtue of its ease of operation and its attractive, practical shape, the TopTent™ is perfectly designed for corporate events, whether it be press conferences, launches, general meetings, cocktail parties, receptions, social club parties, etc.

### High visibility

The TopTent™ offers an impressive printable surface area of 800 ft<sup>2</sup> over its 12 side panels. Logos and banners (of up to 8'x 8') giving companies maximum visibility and creating an impact can also be displayed.

### Creates an intimate atmosphere

The TopTent™'s circular shape lends itself to a festive and friendly atmosphere. To liven up presentations, videos, images and animations can also be projected onto the side panels of the tent, which are almost completely vertical. Decorative elements can easily be added to the structure as desired.

### Ideal for short-term events

The beauty of the TopTent™ is that it can be set up and taken down very quickly within the same day. No longer do you have to spend a day setting up and taking down a tent when the event only lasts a few hours! It is ideal for 200 to 250 people seated at a press conference, up to 250 standing at a cocktail party, or a group of 150 at a banquet dinner.
